YOUR MOVE

by Yes

Take a straight and stronger course,
to the corner of your life.
Make the white Queen run so fast,
she hasn't got time to make you wise.
Cause it's time, it's time in time
with your time and its news, is
captured for the Queen to use.
Move me on to any black square,
use me any time you want, just remember
that the gold's for us all to capture,
all we want, anywhere.
Don't surround yourself with yourself,
move on back two squares, send an
instant comment to me, initial it
with a loving care.
Cause it's time, it's time in time
with your time and its news is
captured for the Queen to use.

WE REMEMBER . . . ARTHUR

The death of Arthur Girouard brought a sad moment to his family and his many friends. These two pages of our Yearbook are in honor of a man who touched the lives of so many, in a kind and considerate way.

As caretaker of Dresser Street Field for many years, he was an inspiration to many young athletes, stepping up the plateaus from grammar school to junior high and high school. And later, when they went on to college, the armed forces or jobs in society, they always came back to visit Art Girouard. They remembered him and he remembered them, as well.

He took great pride in his work. To him, Dresser Field was his castle and domain. He always strived to keep it neat and tidy and his perserverance brought him praise and compliments from people who visited the field. Many a youngster will remember a scolding finger from Art, for playing ball where they were not supposed to. But his sternness was only a reflection of the moment. Minutes later, he would offer a word of praise or encouragement to the lad.

And Art Girouard loved Southbridge High kids. His many photos and clippings, artfully adorning his office and press box walls, were put up because he wanted to do it. He was fiercely proud of the Red and White. And he showed no prejudice. Just about everyone who took a step into Dresser Street Field got his or her picture taken by Arthur.

The man was more than just a caretaker and friend to young and old. He was perhaps the truest Southbridge High rooter around.

To him, SHS teams were the best, in victory or defeat. And when a Southbridge Pioneer football team came in after a bitter loss, it was Art Girouard's head that was bowed with the players. And we all knew his moods when we won, especially a victory over Bartlett. Art Girouard's infectious smile touched us all.

He was a kind, considerate man. A friend to many and we will remember . . .

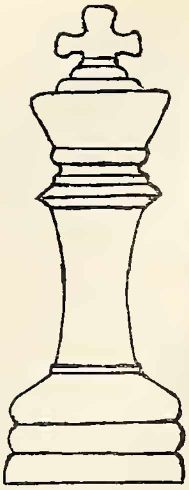
WE'VE ONLY JUST BEGUN . . .



It was early evening on May 23rd. The setting was the ballroom of the Sturbridge Sheraton. The 1980 Junior-Senior Prom was getting underway. The first of the couples were arriving as excitement filled the air. Studio One took pictures of posed as well as unsuspecting couples all night.

The sponsoring Class of 1981 stood back and proudly watched all their dreams and expectations come to life.

The theme song — "We've Only Just Begun" — was sung by former SHS student Mary Ellen Hayden accompanied by the Jerry Seeco Band. The meaning of the words mesmerized the crowd and added that final touch of magic. It also served as the last step to the moment everyone had been waiting for.

It was time to choose the queen and her court. As the Senior girls marched around the dance floor, the band carefully weighed the possibilities and finally ended up with the best possible results.

All in all, the 1980 Junior-Senior Prom was a complete success, setting lasting high school memories for all who attended.

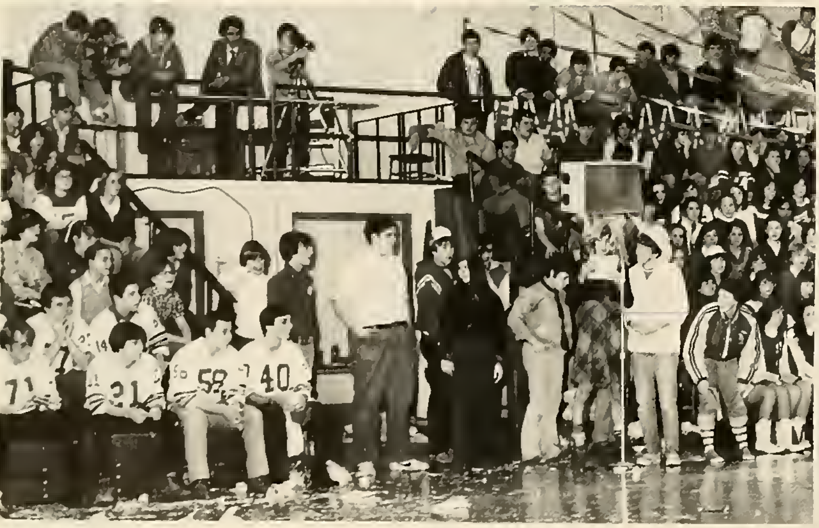
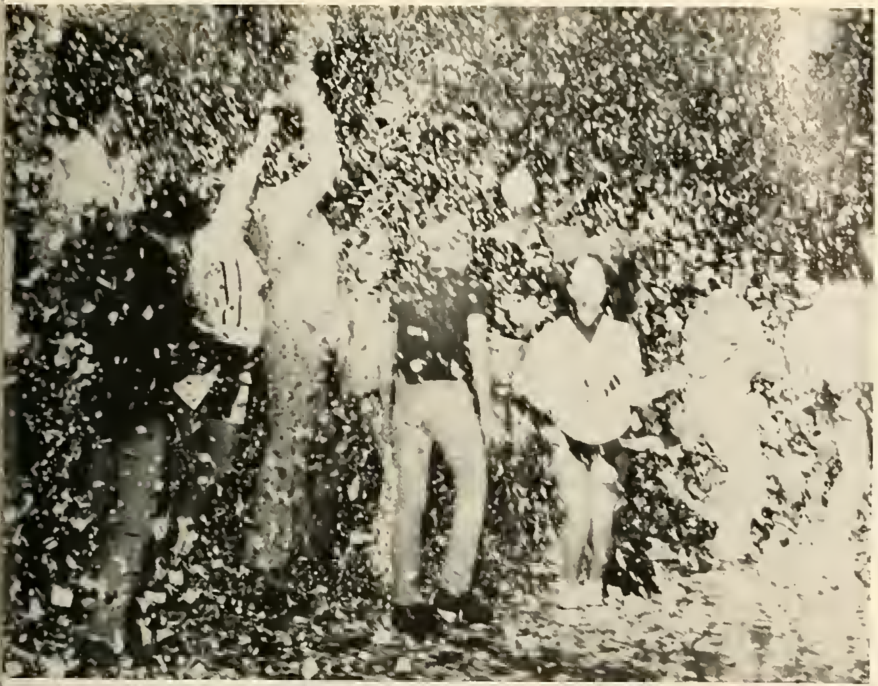
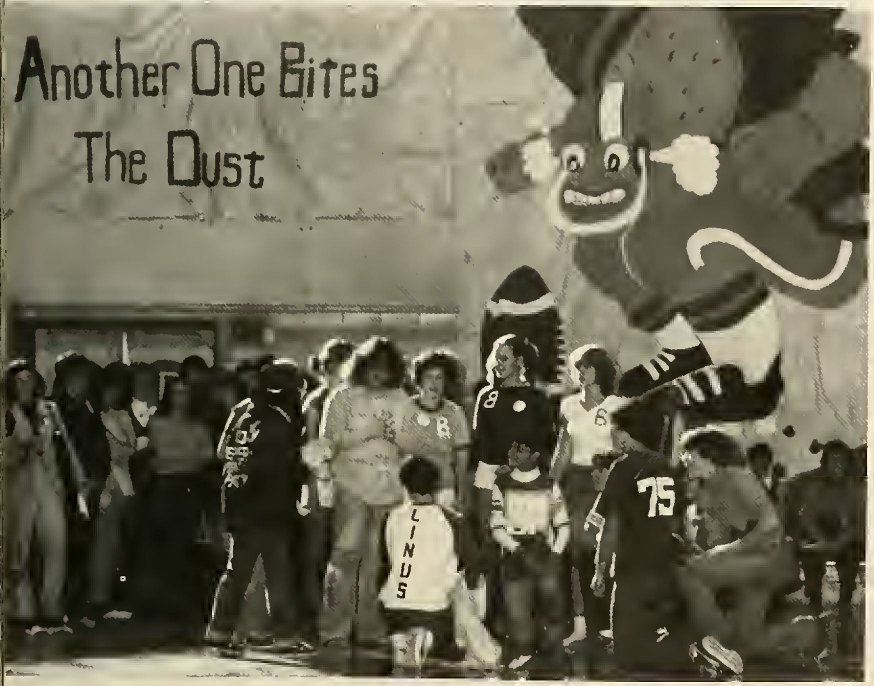
THE THANKSGIVING GAME RALLY . . .



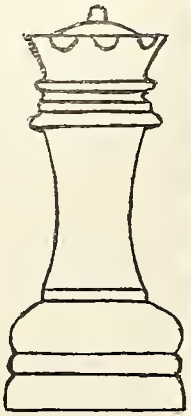




The Thanksgiving Day football game traditionally has always been the biggest of the year for our Pioneers as, on that day they play their number one rivals, the Bartlett High School Indians.

In order to get the players psyched, our cheerleaders put together their biggest and best rally of the year with poster, skit, color day and yelling contests among many.

This past year, first place honors were taken by the Seniors for their skit, by the Juniors for their posters and color day participation and by the Sophomores who won the yelling contest.



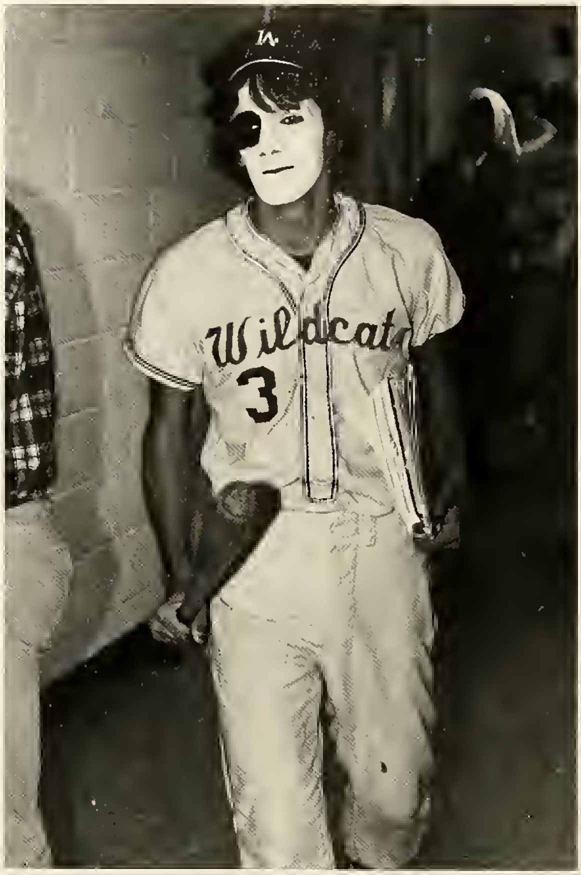
SPRING DAY . . .

The 1980 Spring Day was held at Dresser Street Field on a sunny, June day. It was a day of competition between the classes with the following events being held: girls and boys volleyball, basketball and co-ed softball, the egg toss, three legged race, sack race and a new event, roller-skating among many.

From there, the top two classes competed in a tug of war to determine which class stood superior.

The Student Council sponsored the Spring Day and ran the concessions stand. The day was enjoyed by students and faculty alike.

DRESS UP DAY . . .



In the true spirit of Halloween, whe all the "little" kids dress up and go "tric or treating", SHS students donned the best (or worst) attire on its "dress-up day

The "big" kids got their opportunity c October 31, 1980 to let a little immaturi shine through and dress up themselve Though only a small fraction of the stu dent body actually did dress up, thos who did let their hair down provided en tertainment for the rest. Who sai dressing-up was just for little kids?

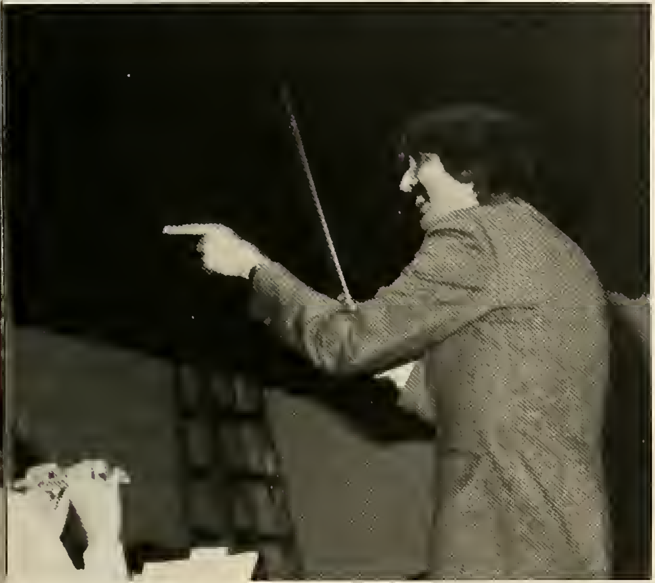
THE CHRISTMAS CONCERT . . .



As has been the custom in the past, the Southbridge High School Music Department, under the direction of Mr. Tom Kruczek (Band Director) and Miss Janice Chamberlin (Choral Director), put on an outstanding Christmas Concert.

Though the weather outside was cold, the enthusiasm inside was not. Time and time again the audience responded warmly to the variety of music performed. As the last songs were sung and the final tunes played, the crowd left knowing it had been worth the wait. It was by far one of the most successful concerts ever held at SHS.

THE WINTER CARNIVAL . . .

The 1981 Winter Carnival, sponsored by the Student Council, included a variety of athletics and activities during its three week period to provide fun and competition between the classes.

The sports included basketball and volleyball and, for those not athletically inclined, there were tricycle races, pie eating and staring contests and a duel of wits in the College Bowl.

The most important factor for determining the winning class in the overall competition was class participation in the higher scoring events such as dress-up and color days, class skits and sing-alongs, murals and attendance at the Valentine Day Semi-Formal which brought the Winter Carnival to a close.

At the Semi-Formal Senior Chris Kane was chosen Queen from the five member student-voted court. Her court members were Seniors Christina Brown, Cathy Norowski and Wyndie Farland and Junior Becky Santilli.

The Junior Class took the title of 1981 Winter Carnival Champs while the Seniors grabbed second place, Sophomores third and the Freshmen fourth.

Profile In Courage

Two years ago Sommane Bounphasaisonh was a Laotian refugee and spoke no English. This past year she won the Gregg Typing Award for thirty-five words a minute and for her, that was a great accomplishment.

Sommane was poor and because her family was suspected of Communism they were sent to three jails before being sent to a refugee camp. While in the camp, Sommane met an American who asked her if she would like to live in America. Her answer was a resounding "Yes!" Her name was added to a list for an American sponsor.

Eight months later Sommane was on her way to the United States sponsored by Father Nally of the Notre Dame Parish. She was enrolled at Southbridge High School and, gradually, she began to learn English.

Soon, she was attending regular classes and her English improved considerably.

Sommane's courage and determination were an inspiration to all of us.

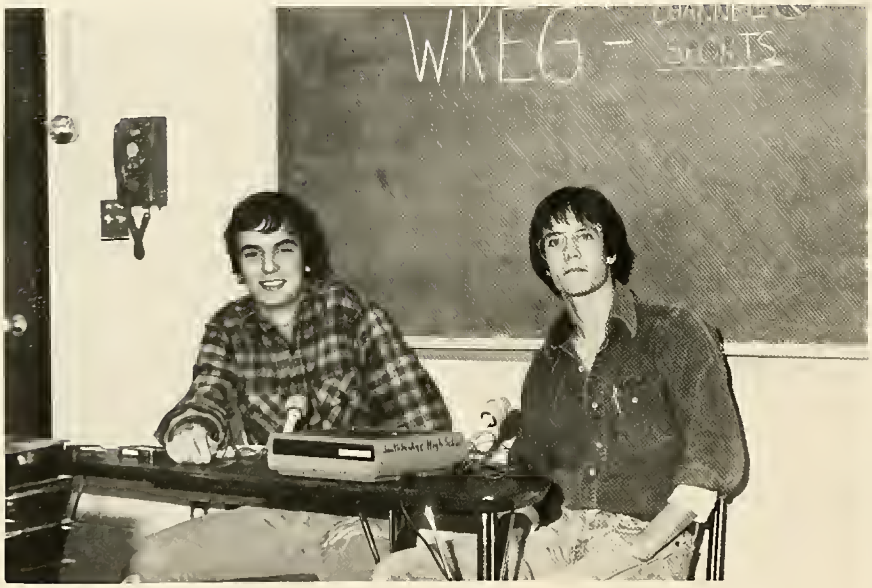
The Pete & Dork Show



Tony Pioppi and Cliff Drezek

A new and innovative twist during the basketball season was offered by morning sportscasters "Pete" Gazello and "Dork" Lemanski (Tony Pioppi and Cliff Drezek). The two were heard periodically over the intercom delivering dialogues attempting to arouse student enthusiasm for our evening basketball games. Their efforts were rewarded as attendance at our home basketball games seemed improved over previous year.

Student Government Leaders

Rick Courtemanche and Kent Parent

Early in the year, the student body elected Senior Rick Courtemanche as our Student Government Day Representative, while Junior Kent Parent was chosen as his alternate. The two journeyed to Boston in the spring with students from all over Massachusetts to "run" our state government for the day in the manner of our regular elected and appointed state officials.

August 28, 1980

Dear Parents:

The beginning of a school year always brings new challenges and experiences for the high school student. There is even a little apprehension in many, as we know. And this is even more dramatically demonstrated by most students who are making the transition from the junior to the senior high school. There are many academic, social, and psychological adjustments to be made during this transition. The ease with which the right adjustments are permitted to be made must concern all of us.

Recognizing this and realizing the increasing importance of the parent's role in the student's total success, we are pleased to announce the continuation of our special program for the parents of freshmen. We have scheduled an evening meeting on Tuesday, September 9, at seven o'clock in the cafeteria to provide you with as much information as possible about YOUR school and its programs. This information, we hope, will help you play a more effective role in your son's/daughter's success during his/her high school career.

In order to answer the many specific questions we hope you will have, members of the administration, directors of special services, department heads, and teachers will be present. A tour of our new facilities is also planned for our meeting.

Please plan to join us. Your interest will be greatly appreciated. The chief beneficiary of our mutual interest and concern will be your son/daughter.

Cordially,

Edward J. Desroches

SHS BLOOD DRIVE

The fifth consecutive Southbridge High School Blood Drive, held during the Spring of 1980 and sponsored by the Student Council, was again a fantastic success. The day-long activities were coordinated by the local chapter of the American Red Cross aided by Student Council members who volunteered their services. Both students and staff members donated their time and blood so that approximately sixty-five pints were eventually collected, a fine tribute to Mr. Larson and his Student Council.

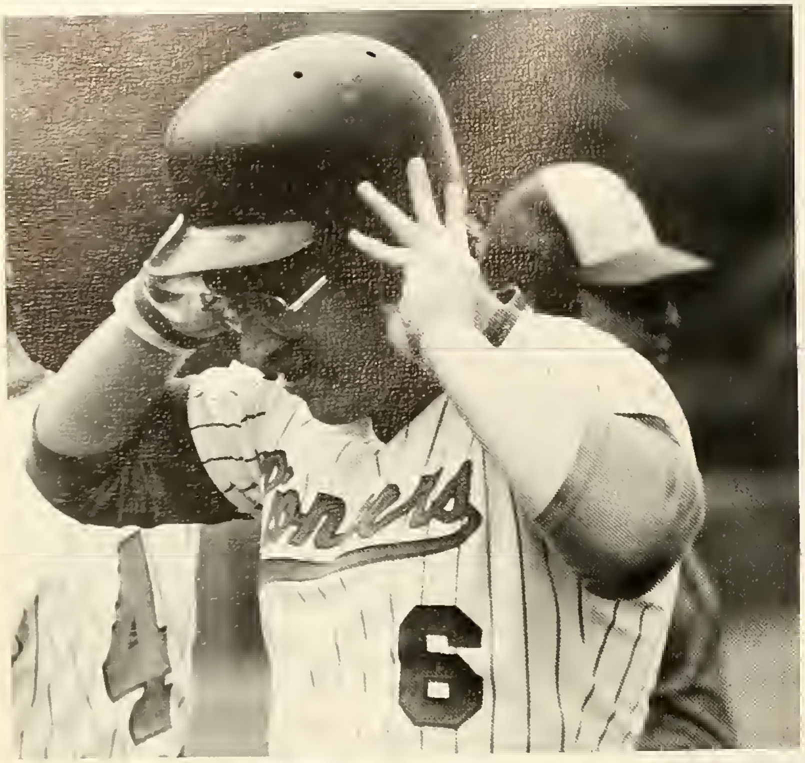
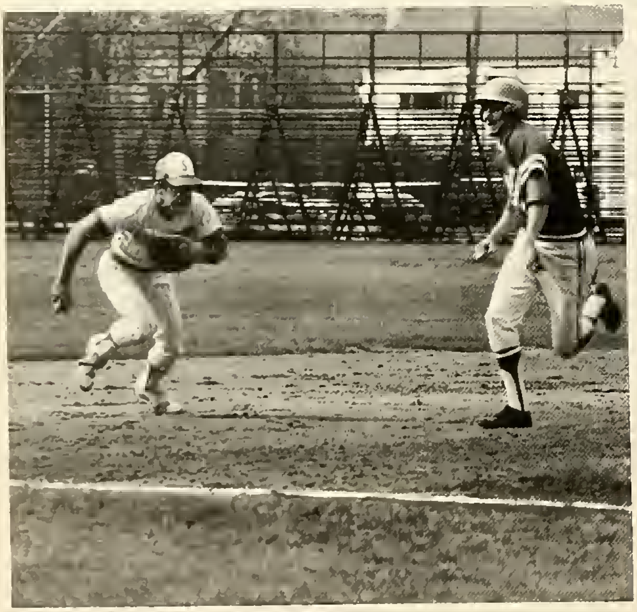
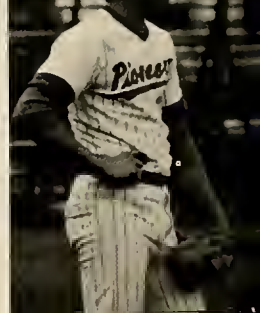
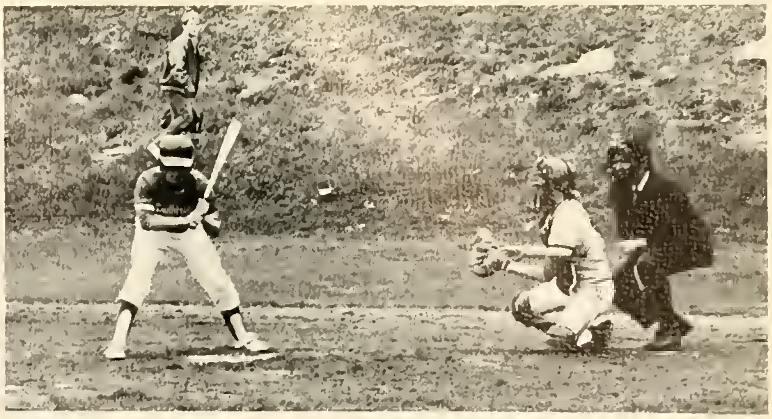
PIONEERS COP CONFERENCE CHAMPIONSHIP!!

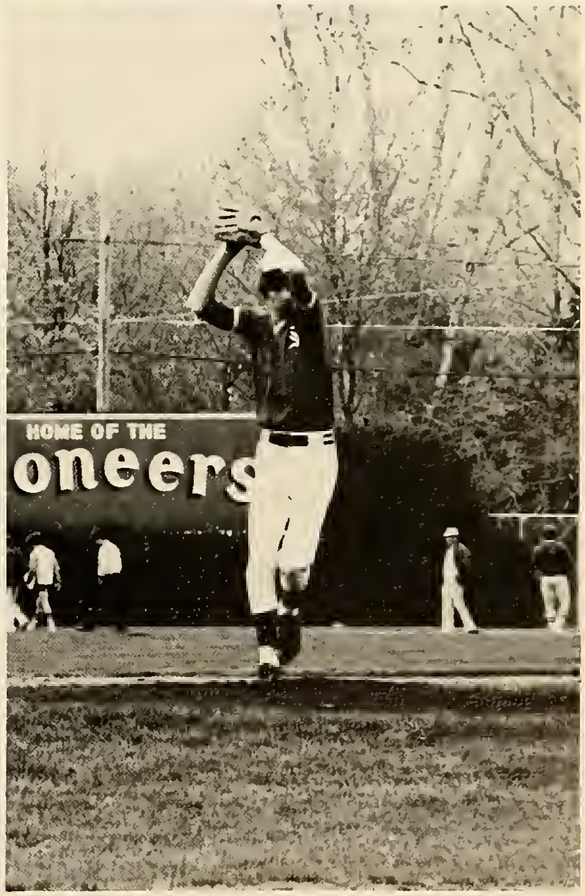




The 1980 season was one of the best in recent years for our baseballers. The Santilli-coached squad was 11 and 6 overall and had a sparkling 9 and 3 Border Conference Record giving them the League Championship and automatically qualified the Pioneers for the District Playoffs. The team was led by Co-Captains Mike Morrill and George Papoutsidis who was selected to the Conference All-Star Squad. At the end of the season, Coach Santilli said, "Everyone working together made this a very rewarding year.







The SHS Junior Varsity baseball team was led by Coach Donald Ferron. They completed a winning overall record of 7 and 6 and were 5 and 5 in the Border Conference giving them a second place finish. Team captains were Dan Downer and Pablo Sanchez and the highlights of the season were probably two wins over arch-foe Bartlett High School. Freshman pitcher Jeff Szumilas had a fine 5 and 2 won-loss record.

CONFERENCE CO/CHAMPIONS!

A sparkling 10-2 Conference Record and an even more impressive 19-3 overall record established the 1980 Pioneerettes as one of Coach Dick Leduc's finest. Their outstanding play gave them a share of the Conference Championship and qualified them for the District Playoffs. In the Districts, they won their first two and narrowly lost a heartbreaker to St. Peter's-Marian in the Finals by the score of 3-2. A great all-around season was turned in by the team's Captain Cindy Beaudreau.

The J.V. Softball Team, under Coach Tom Kruczek, turned in a respectable 5-5 season. After a slow start, the team won four of its last five games. Coach Kruczek's comment at the end of the season: "Through hard work, the girls improved their skills as the season progressed. It was a pleasure working with this group."

PIONEER TRACK

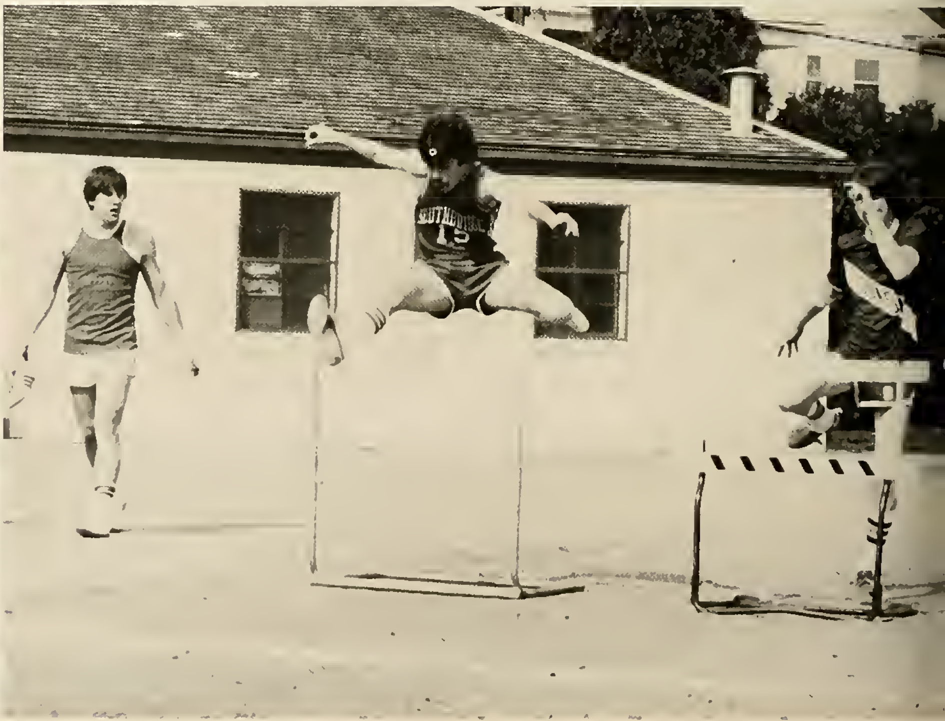
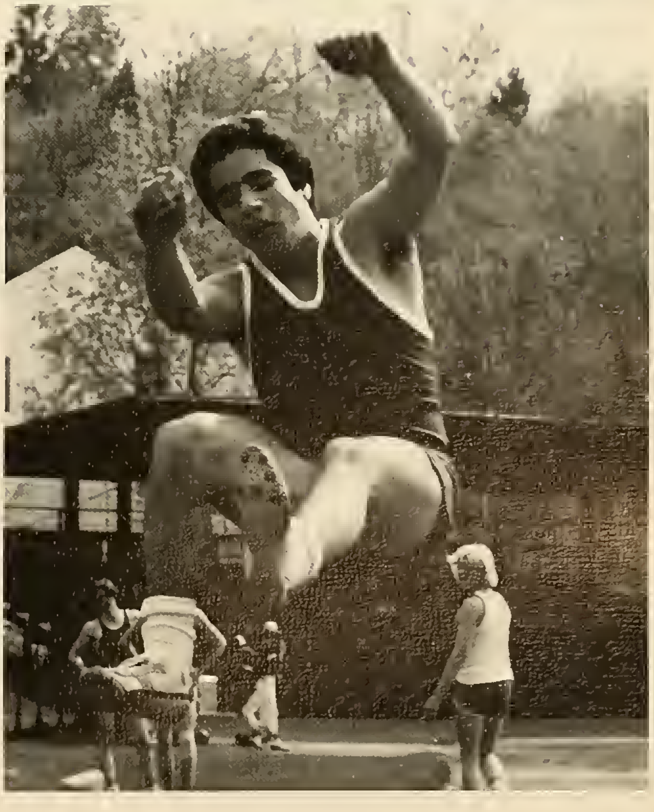
QTR



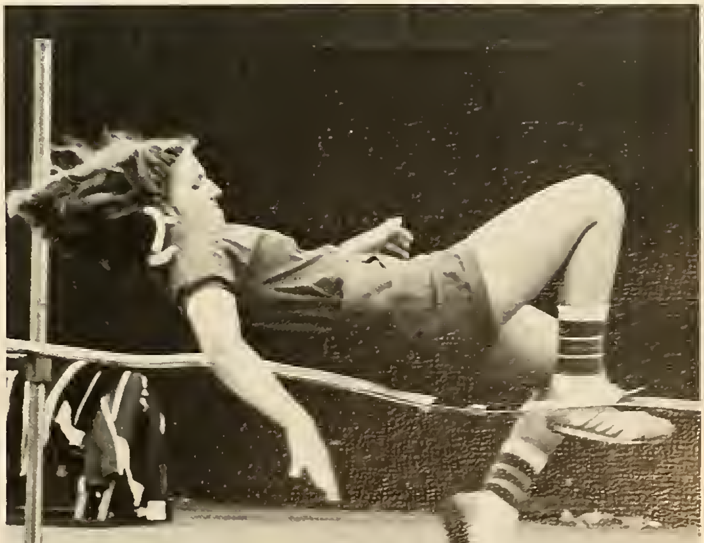
The 1980 SHS Track Team turned in one of the few losing season's in Coach John Hoogasian's career. They were 4 and 5 overall, and 3 and 4 in the Conference for a fourth plac B.C. finish. Outstanding individual achievements were recorded by Freshmen Eric Bullard and Jason Voyles for their Frosh records in the Triple and Long Jumps respectively. Sophomore Kent Parent achieved the Soph record in the Pole Vault. In fairness to the Coach and team, the squad was very young and inexperienced and Coach Hoogasian looks for an "upswing in the Border Conference in 1981."



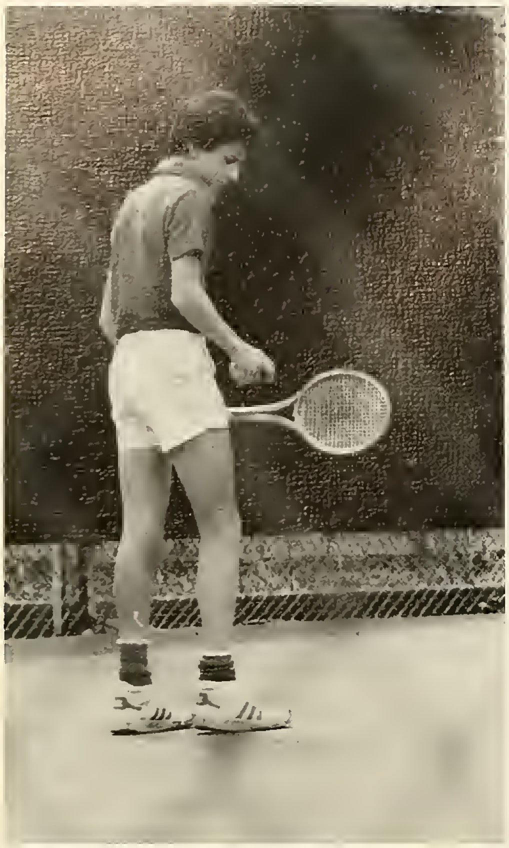
PIONEERETTE TRACK

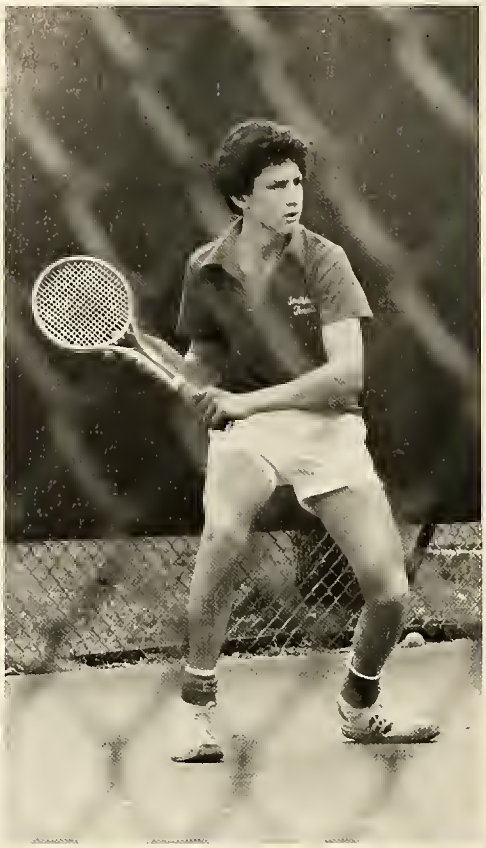
At the end of the season, Girls Track Coach Jill Normandin said, "As a young inexperienced team, I was pleased to see the tremendous improvement which was evident throughout the season." The team was led by Captain Jennifer Shoemaker and three new teams records were set during the season. For their accomplishments, Kathy Houghton, Ruth Riel and Jennifer Shoemaker were selected to the Border Conference All-Star Squad. Though their overall record was not impressive, the future looks bright for Girls Track at SHS.

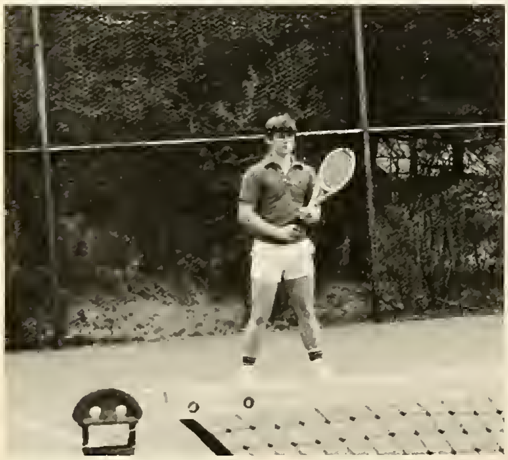
5

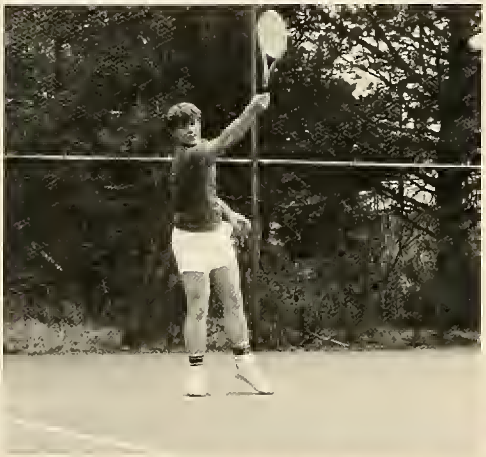


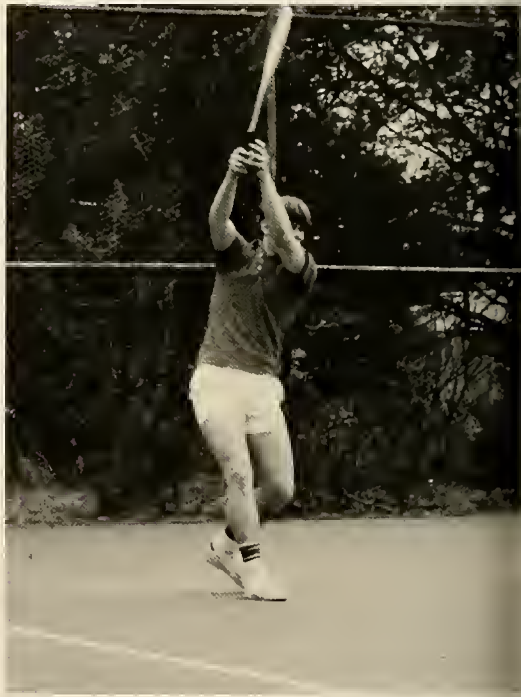
FIRST BORDER CONFERENCE CHAMPIONSHIP!



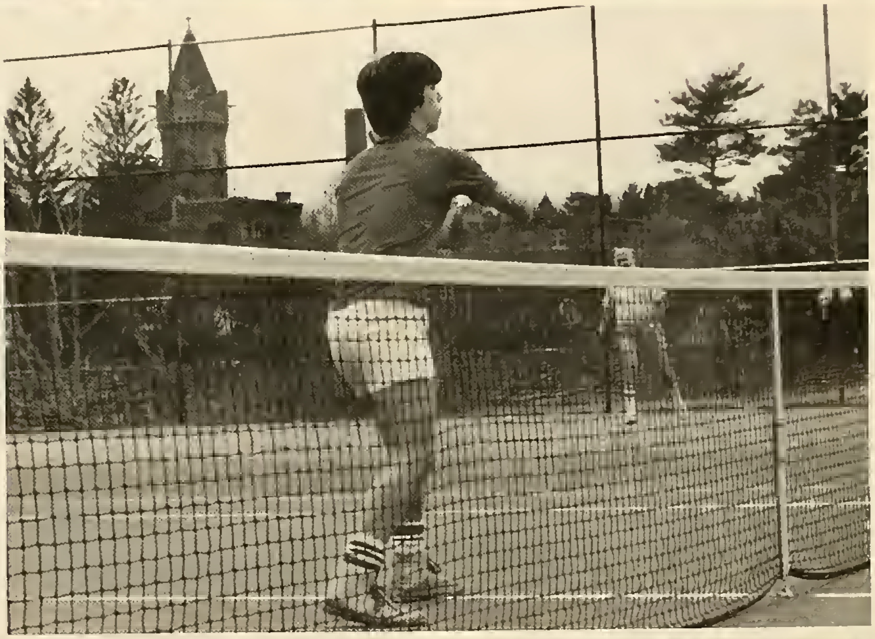


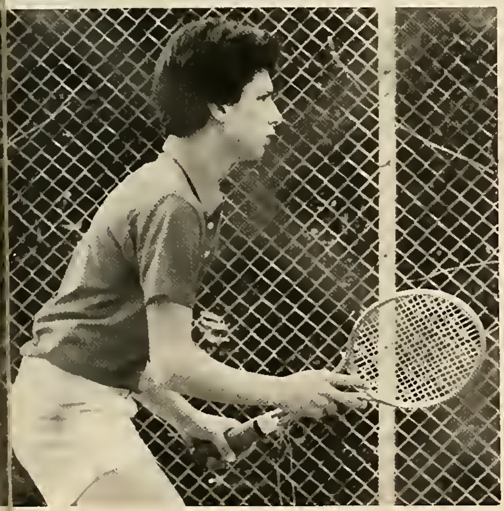


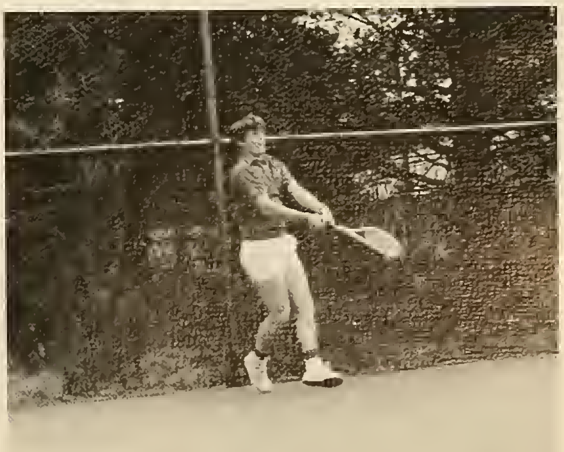




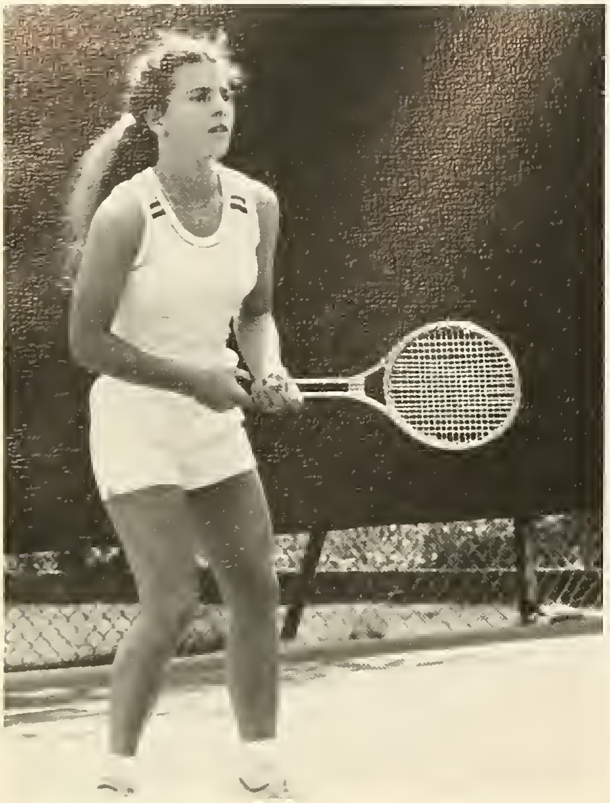
Coach Jim Kane's netsters, led by Captain Mark Palmerino, turned in the finest ever Boys Tennis season in SHS history. They were 16-2 overall and undefeated in the Conference at 12-0. The highlight of the season was probably defeating perennial Conference "powerhouse" Tantasqua Regional three times. Selected to the Conference All-Stars were Sophomore Don Cournoyer and Seniors Peter Holden, Steve Gogonis and Mark Palmerino, the latter for the third time. Coach Kane's comment at the end of the season summed it up pretty well, "Our Senior-laden squad stuck together and committed themselves to winning their first league championship."

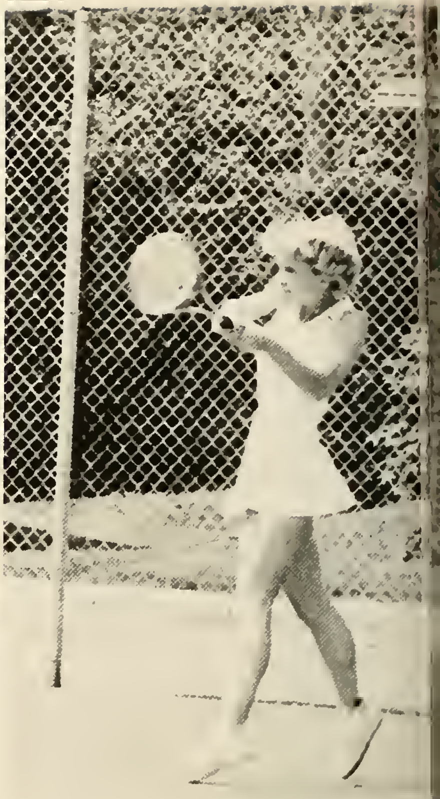


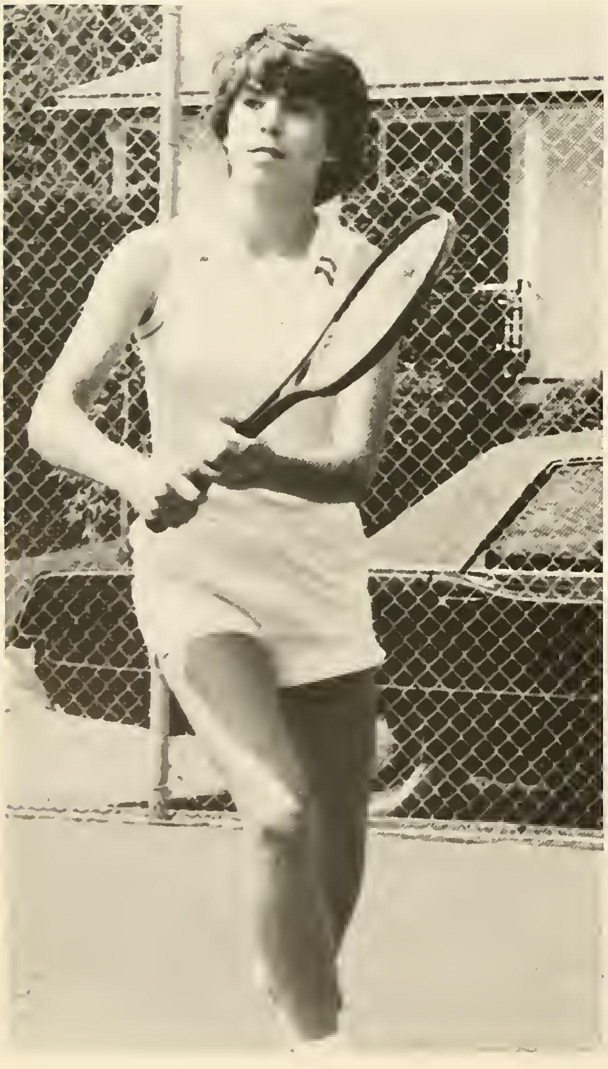


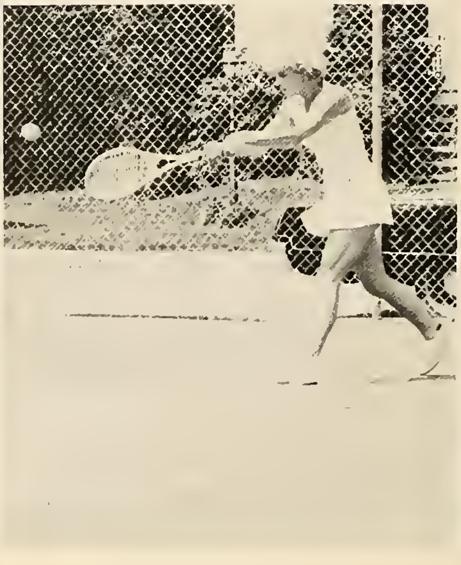


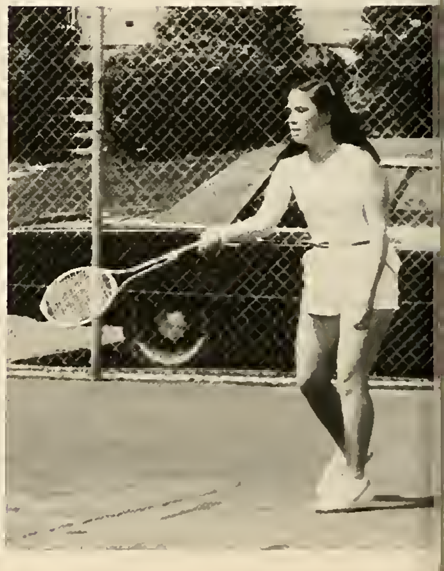
PIONEERETTE TENNIS

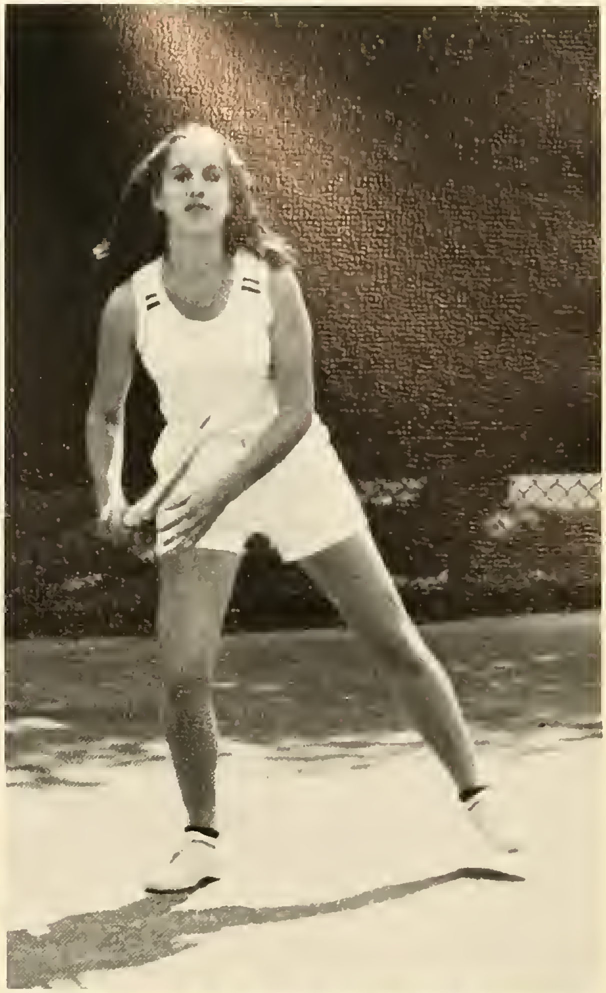


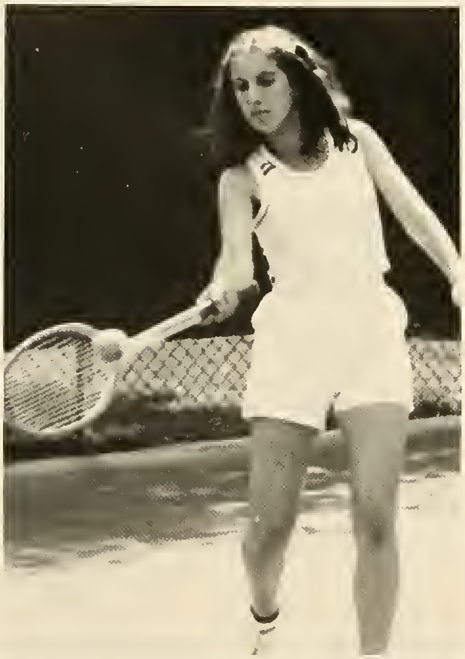




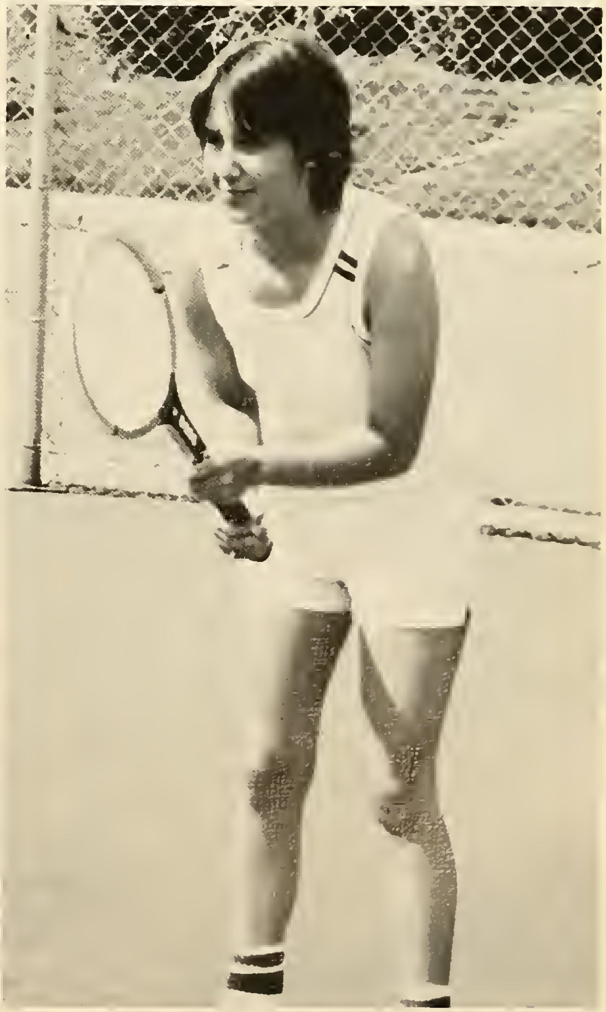


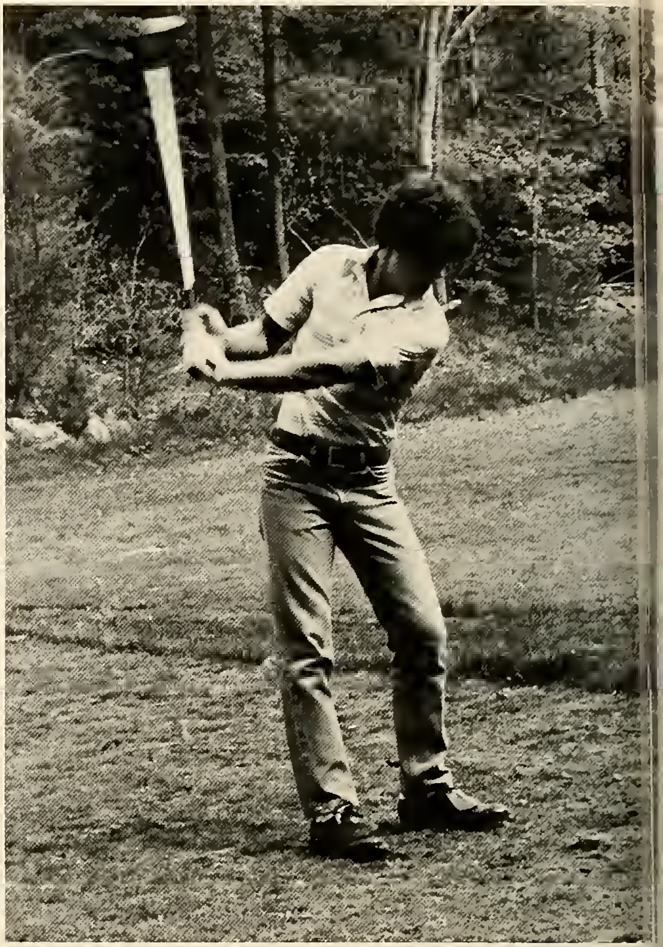


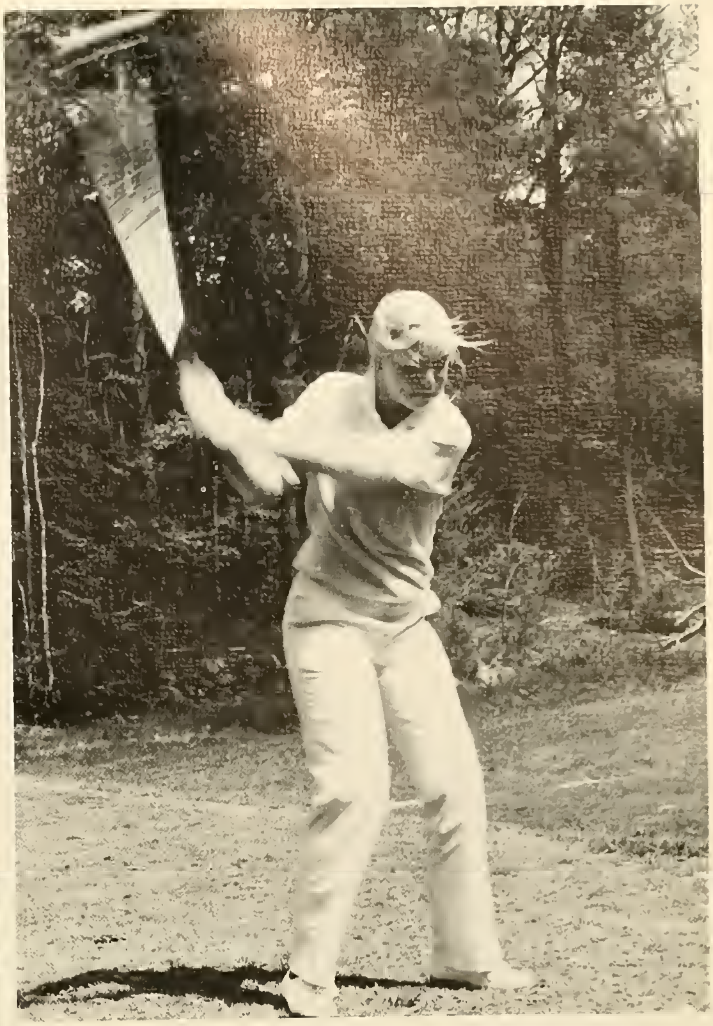




The 1980 Girls Tennis Team, coached by Miss Eleanor Tremblay, were led by Senior Captain Donna Pliszka. Though their overall (7-8) and Conference (5-7) records were not that impressive, there were several season highlights. Among them were defeating both the Tantasqua and North Brookfield girls twice each and our arch-rival Bartlett gals once. With only one Senior on the squad, Coach Tremblay looks forward to the 1981 season with anticipation.



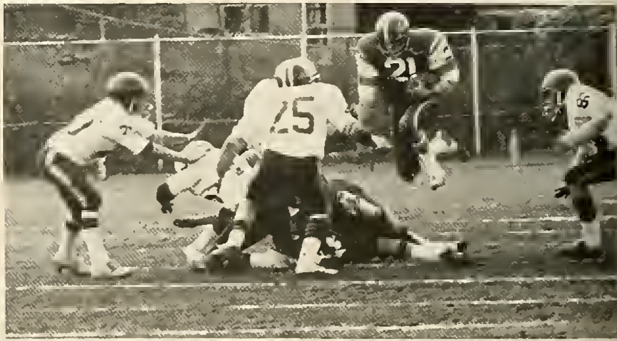




PIONEER GOLF

Under the direction of Coach Dennis Desroches, the Pioneer Golf Team was again one of the most powerful in the area. They finished with an outstanding 12-3-1 overall record and were 8-3 in the Border Conference for a second place finish. The Conference title was lost to Auburn High School in the last match of the season, on the last hole and by just one putt! The team was led by the most consistent golfers on the squad Co-Captains Peter Loranger and Greg Farland. Pleasant surprises were Junior Kevin Austin and Freshman Billy Vasseur.

CONFERENCE CO/CHAMPIONS



Many thought that 1980 would be a rebuilding year for the Pioneers, but Coach Marino, in his 21st season as SHS Head Coach, had other ideas.

After five games, our footballers had won four and tied Division I Westfield High School. Their first loss came to powerful Leominster High School in a close, hard-fought game. In their next two games, they defeated next — town rival Tantasqua and also won the following week against Shrewsbury. Their most disappointing loss came in their last game of the year on Thanksgiving Day to arch-rival Bartlett High School.

The final season's record was 6-2-1 and they also wound up with a share of the Border Conference Championship. Not bad for a rebuilding year! Captain Mike Palmerino was named to the Telegram & Gazette Central Massachusetts Super Team, while Captains Mark St. Laurent and Craig Walker were selected to the Division II Honor Team.

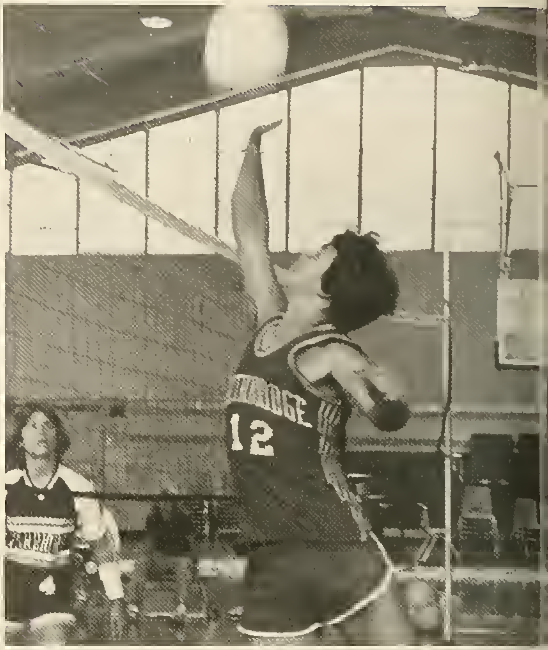
Another winning season was turned in by the Pioneerette Field Hockey Team with an overall 6-5-2 record. The team was led by Senior Captain Patty Bibeau and, at the conclusion of the season, Seniors Denise Bernard and Lori Beaudreau were picked for the Border Conference All-Star Squad for their fine play. Coach Jill Normandin's quote: "A good group of girls — aggressive, hard-working and with a tremendous desire to play and play well."

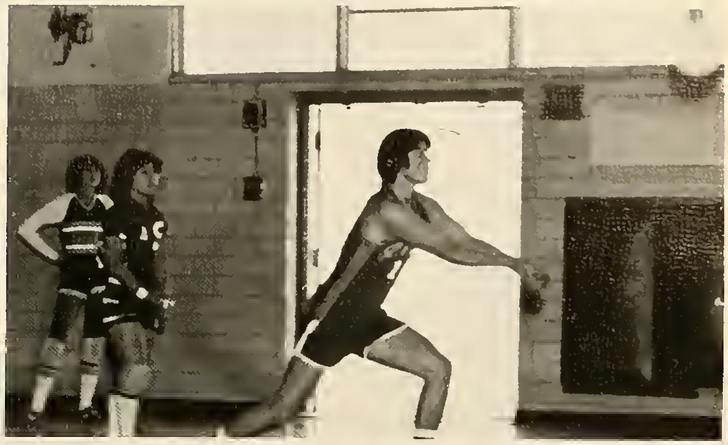
PIONEERETTE FIELD HOCKEY

PIONEER SOCCER

"It was an enjoyable season. The team was a pleasure to work with in spite of our won-loss column." These were the words of Coach Walter Gosk at the end of the 1980 Varsity Soccer Season. The two greatest achievements of the year were two fine victories over our arch-rivals the Bartlett High School Indians and the selection of Senior Tri-Captains Brian Arsenault, Rich Courtemanche and Bob Ravanelle to the Border Conference All-Star Squad. In addition, Courtemanche and Ravanelle were both named to the Central Massachusetts Soccer Coaches Association All-Star Squad and to the Worcester Telegram and Gazette District Two All-Star Team.

VOLLEYBALL





The 1980 SHS Volleyball Team compiled the best won-loss record since the volleyball program was instituted here. One of the highlights of the season was an upset victory over Tantasqua Regional. The squad was led by the first-year Coach Carmen Wilk and Co-Captains Judy Olson and Jane Campbell. Coach Wilk's comment: "This was a rebuilding year. Only two players were experienced and we had to work on fundamentals as well as a winning attitude. Our season proved successful in regards to these goals. We are looking forward to an even more successful season next year."

PIONEER CROSS COUNTRY

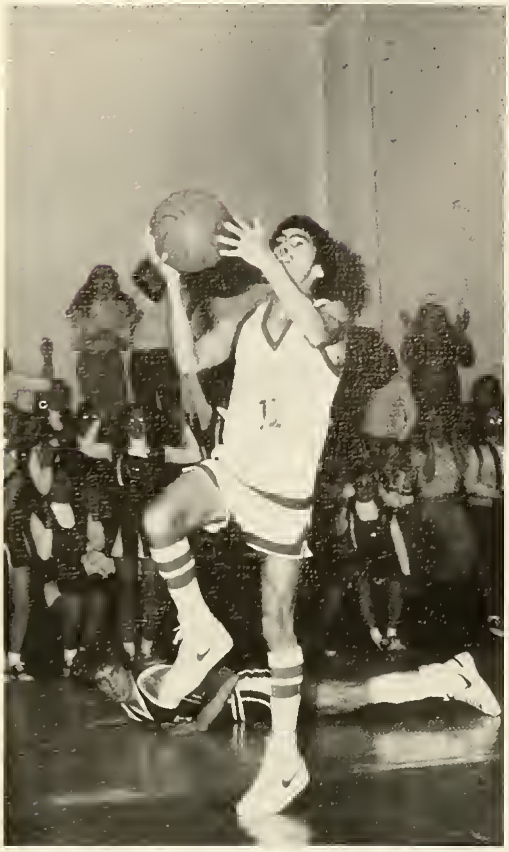
JBURN

The 1980 Pioneer Cross Country season was quite "suc-
ssful when you consider that four out of our five top run-
ers were Sophomores," according to harrier Coach Dick
educ. Their overall record was a fine 12 and 5 and they
ere 4 and 1 in the Border Conference. Adding to the
am's laurels were Senior Captain Bob Lebel and Sopho-
ore Glen Corbett being selected to the Border Confer-
nce All-Star Team. Coach Leduc and returning squad
embers have got to be "looking forward to next season."

PIONEER BASKETBALL



The 1980-81 Pioneer Varsity Basketball Season was one of adjusting, learning and gaining valuable experience for the future. The team had a new Head Coach (Coach Gosk), his new system to learn, and many underclassmen playing varsity basketball for the first time. The team was led by the only two Seniors on the squad, Co-Captains Rick Courtemanche and T.J. Power who played very little for the Pioneers as a result of a pre-season automobile accident. Underclassmen who showed signs of future outstanding play were Juniors Rick Molina, Alan Turner and John Kennedy and Sophomores Henry Hernandez, Jeff Szumilas and Glen Gallant. Next year should be a banner year for our hoopsters.

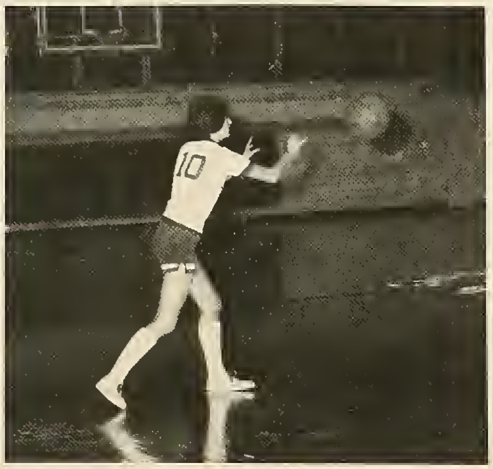
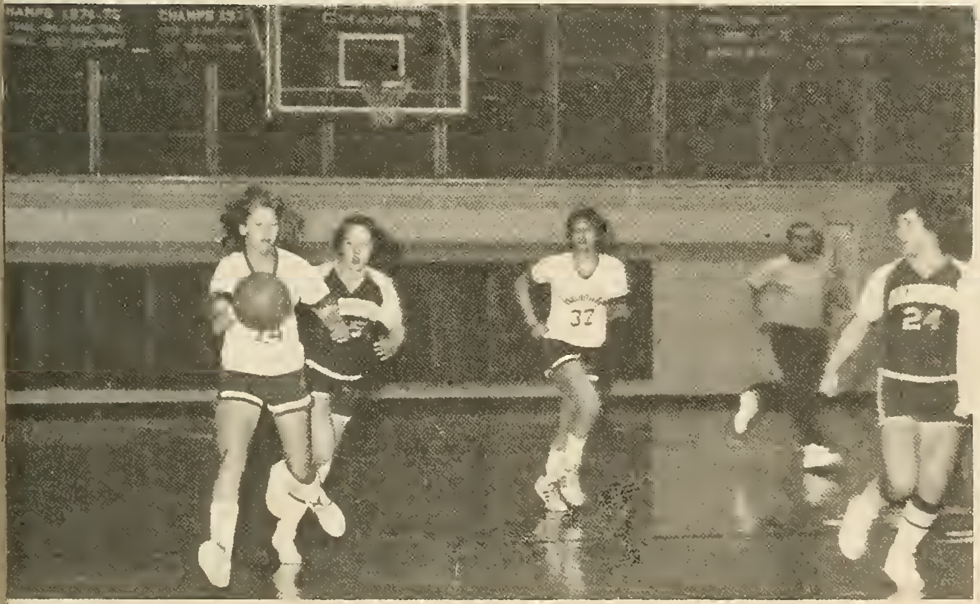
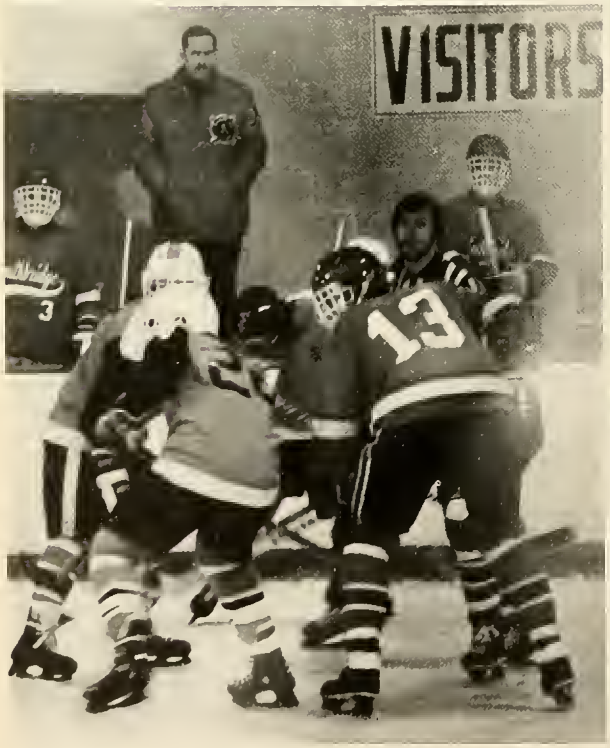
PIONEERETTE BASKETBALL





The Pioneerette Varsity Basketball Team, under Coach Jeff Theodoss, finished another outstanding season with a 12 and 6 record, second place in the Border Conference and also qualified for the Districts. The team was led by Senior Co-Captains Lori Beaudreau and Paula Moriarty. Both were important scorers for the Pioneerettes with Moriarty also one of the team's leading rebounders. Another Senior, Denise Bernard, was an important cog both offensively and defensively. Two Juniors, Judy Olson and Jane Campbell, usually rounded out the starting squad with sister Joan also contributing to the causes. The three, along with Freshman Di Lambert, were important ingredients in the team's success.

PIONEER HOCKEY



The SHS Pucksters, under Coaches Gerry and Paul Servant, were led by the only two Seniors on the team, Co-Captains Dave Girard and Marc St. Laurent. The squad's offensive punch came from Juniors Ken Pliszka, Gregg Dunn, Gary Galonek, Keith Lapierre and Marc Lucier. Defensive standouts were Captain Girard and Sophomores Sean Murray and John LaRochelle. The highlight of the season was an exciting, come-from-behind, 4-3 win over the Rams of Shepherd Hill.
